George -- Scott is traveling to Alaska this week for regulation consultation and Barbara is out until Thursday. Also, Pilar had asked for a briefing on [REDACTED] which we are working on. I would recommend that DIA brief Pilar early next week and then we schedule a meeting with you and anyone else you want sometime the following week. (week of Dec. 14). For your [REDACTED] we had one of our interns research this issue and have a preliminary paper. We can try to finalize that paper on the same timeframe. Let me know if this works for you. ...Edith

Edith/Scott:

It would be good to get DIA to weigh in on this matter.
